Good morning;

I was able to find an alternative quote for your umbrella policy which I have attached for your review. The \$1 million policy premium is \$198, and if you want additional underinsured/uninsured motorist coverage, the total would be \$356. If you would like to move forward please review and complete the application, make sure the information that has been prefilled is correct, and sign and date page 4 of the application. I did a quick review of your homeowners policy to confirm coverage for events that could occur with your dogs. You do have \$300,000 in dog liability, and then the umbrella policy will cover damages above that amount.

Please let me know if you have any questions or concerns.

Sincerely,

Kathy Kinard

I will probably take the policy without the uninsured motorist coverage. Since my current policy doesn't expire until April, I will get this application filled out after next week. I am getting ready for company and will be pre-occupied for the next week or so. I will get the application to you after they leave. Thanks for finding this for me. Appreciate your help. ☐
